## Neurotoxins - Used to improve appearance of fine lines and wrinkles.

Botox (typically use 30 units)-----	\$12/unit
Dysport (typically use 90 units)-----	\$4/unit
Jeuveau (typically use 20 units)-----	\$12/unit
Xeomin (typically use 30 units)-----	\$12/unit

## Lip Flip - Injection of neurotoxin to relax the muscles in the lip and "flip" it upward, creating a fuller appearance.

Typically this treatment uses between 4 and 8 units of neurotoxin. Refer to the neurotoxin section for pricing.

## Fillers - Add or improve the appearance of facial volume.

Restylane or Juvederm products to plump up lips and/or cheeks -----	\$600-900/syringe
Sculptra - full face collagen treatment to increase facial volume -----	\$1,200
Kybella - prescription medicine to improve appearance of fat below the chin-----	\$1,200

## Asclera - \$400 for 30 minute session

Asclera injection is a prescription medicine that is used to remove unwanted veins in the legs.

# Services

## Microneedling - Procell Therapy

**\$225-\$300**

Microneedling causes controlled micro-injuries that stimulate your body's natural wound healing process, while minimizing cellular damage. The result is improved appearance of scars, photo-aging, fine lines, and wrinkles. This is a short thirty minute session with numbing cream beforehand.

## Advanced PRP Serum Facial \$400

Microneedling with PRP Serum massaged gently into the face and neck and left on for up to 12 hours for an intensification of healing and improved skin texture.

## Cosmetic Hairloss Restoration - \$400

PRP Serum injected into the scalp to help regrow and enhance thinning hair. This treatment is recommended for men and women wanting to stimulate hair growth. Taking Viviscal tablets twice daily is also recommended, which are available at Midlands Cosmetic.

## Dermasweep - \$150

This advanced microderm abrasion treatment uses bristle tips to lift away the top layer of skin and increase micro-circulation to enhance lymphatic drainage, oxygenation and the delivery of key skin nutrients. Exclusive infusion solutions containing cutting-edge ingredients are added to target specific skincare concerns, for visible results in just one treatment.
